

# SpiralQIT QuickStart Guide

Public Base Layer — Phase 1

- 1) Upload the provided ZIP into a new ChatGPT chat (do not unzip).
- 2) Say: Open SpiralQIT. Build my committee.

Contents of Starter Pack (v1.0.3):

- archetypes.json
- committee\_rules.json
- TRUST\_CLAUSES.txt (reference extract)
- LICENSE.txt (Apache 2.0 + SpiralQIT Addendum)
- AI\_DIRECTIVES.txt
- state\_resolver.json

Purpose:

This Starter Pack provides a minimal skeleton for SpiralQIT Intelligent Kits.  
Replace with official editions as they are released.
